Birthdays

Jan. 20th: Sarah 4 years

Jan. 24th: Aidan 5 years

Every child is extra special on his/her birthday. Each child receives a sign on the door, birthday crown, and a gift. I do leave the treats up to the parents. If your child would like to bring a treat, please bring enough for 7 children. I do find that cake does not go over very well. I find the individual snack type things, Rice Krispie treats, etc. work great.

WINTER

I would just like to take this opportunity to remind everyone how slippery the driveway can be. We do our best to keep it safe, but there are times when it is nearly impossible. Also, remember the first step into the garage is very slippery as well. My maintenance man isn't always around and I don't do nearly as good of a job as he does with the driveway. Please use caution.

Would you do me a FAVOR?

I would like to ask a favor from each family. This will require a few minutes of your time.

Anyhow, I am putting together a binder with notes and cards from parents. I would also like to add into this binder, recommendations of my daycare families. I would really appreciate it if you would be willing to take some time to write up or type up a letter of recommendation for me that I could show future parents. If you would prefer to email it to me, that would be fine as well.

Tips on what to write:

How do you feel about the quality of care your child receives? Do you feel your child is safe? Do you feel the children are supervised sufficiently? What about our preschool program? How do you feel about what your child is learning? What about the projects your child brings home? What about my reliability? Can you count on me to be here? Do I take time off at the last minute often? Do I communicate with children and parents? Etc.

If you could have these to me by **January 29th**, I would appreciate it!

Thanks so much!!!
